

SPIRIT LEGACY WALKWAY

For 60 years Paraclete High School has been the only Catholic high school in the Antelope Valley. Today we have a thriving student body population of 570. To remain vital to compete in today's world, we face the challenge to renovate our athletic field property. Please help us lay the foundation of ONCE A SPIRIT, ALWAYS A SPIRIT Campaign, by leaving your family legacy on a paver on the Spirit Legacy Walkway. Together we can pave the way to a successful capital campaign.

You and your family can be a part of the SPIRIT LEGACY WALKWAY by purchasing an 8×8 paver. All who walk there will recognize your role in helping build and sustain the legacy of our Paraclete. Limited numbers of pavers will be sold for this area within the Athletic Complex. Etch your family name or honor a loved one into the history of your alma mater. We welcome paver support from friends of Paraclete as well. *
